## ARTISTIC GLASS COURSES

### INFORMATION

Stained glass laboratory

Laura Panicucci, with over 20 years of experience in the field of artistic glass art of courses

#### ORGANIZES GLASS PROCESSING

*Courses are open to all and especially to those who are interested in learning the techniques at a professional level, but also as a hobby.*

*The number of participants is maximum of four people.*

*The works produced during the course remain the property of the students, which will be followed personally by the owner.*

*The price includes the supply of material and equipment for the laboratory exercises.*

*The payment must be paid directly on site, at the beginning of each course.*

*Possibility of individual courses or even groups*
